

Surf Camp

Aloha! Get your bathing suits ready! We are heading to Hampton and Rye Beach for a week of surf lessons! During this week we will be working with Cinnamon Rainbows Surf Company. Our campers will arrive to the surf shop at 11:30 to get their wet suits and get ready for lessons. The lessons will run from 12:00 – 2:00 at North Beach or Jenness Beach. The Cinnamon Rainbow staff will work with the kids to teach the lessons and help them learn the basics of surfing. One Camp Otter staff member will be actively lifeguarding while the other is with the kids who need a break on the beach. After the lessons are done, the group will return to the surf shop where they will return the wet suits and boards. Next to the surf shop there is a small snack shack where the campers are welcome to purchase snacks or smoothies. Once the group is wrapped up at the surf shop and the snack shack they will return to the beach for a bit or return to camp to play gaga. This week is very weather dependent. If the weather is severe or if there is too strong of a tide, the group will attend Surf's Up in Nashua, New Hampshire where they will be able to participate in indoor surfing.
