

## **Watermania**

The middle of July is always such a hot and sticky week, so we have spent some time finding ways for our campers to cool off! Come enjoy the fun as we explore fun water parks and other attractions. On Monday we will go ride the rides at Canobie Lake Park, and we will be sure to spend plenty of time in the water park. You can pack a lunch or you can buy lunch in the park, so feel free to bring extra spending money for the day. On Tuesday we will head up to Fun Town Splash Town in Biddeford, Maine where we will participate in both the water park and the amusement park. This is a long drive, so feel free to bring games or entertainment for the bus ride. Also, you can pack a lunch or buy a lunch in the park. On Wednesday, we will go to the Lawrence Boat House where the kids will be able to swim, paddle board, kayak, and canoe. This will be a fun and relaxed day spending time on each of the different types of boats. Please bring a lunch as there will not be a place to buy lunch this day. On Thursday we will head to Boston where we will experience a Duck Tour through the city. The tour will take us by land and by water to see the awesome sites of the city of Boston. Friday the week will conclude with Water Country where the campers will enjoy zipping down the water slides. Again, campers are permitted to bring a lunch into the park, but you can also opt to send money to buy lunch, snacks, or drinks inside the park. All of the activities this week are weather dependent. Should Mother Nature not cooperate, we will go to either Coco Keys or indoor Mini Golfing at Monster Golf.
